

Public Meeting Notice

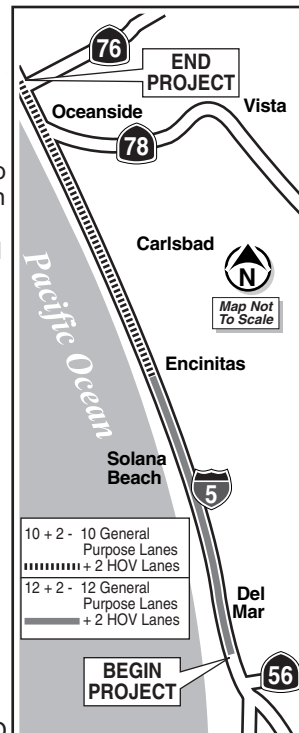

Improvements Are Being Planned On Interstate 5, Between Del Mar And Oceanside. Caltrans Wants To Hear From You About This Important Freeway Project.

You are invited to attend a "Public Scoping Meeting," on Wednesday, May 16, from 4-8 p.m., in the Multi-Use Room at Winston School, 215 9th Street in Del Mar.

This is the third of several meetings for this freeway project to be held in communities along the corridor. It will be held in an open house format, allowing area residents and business owners to get early information, to ask questions and give your comments regarding project alternatives, funding sources, potential impacts to their community and the scheduling of construction.

The California Department of Transportation (Caltrans) is proposing to construct carpool lanes in each direction in the existing median on I-5, between Del Mar Heights Road near Del Mar and Vandegrift Boulevard/Harbor Drive near Oceanside. The project will also add two additional general purpose lanes in each direction from Del Mar Heights Road to Encinitas Boulevard in Encinitas; and one general purpose lane in each direction from Encinitas Boulevard to Vandegrift Boulevard/Harbor Drive.

If you need special accommodations (American sign or foreign language interpreter, accessible seating, and documents in alternate formats), please contact the Caltrans Public Information Office, (619) 688-6670 at least 10 days before the meeting. TDD users may contact the California Relay Service TDD Line at 1-800-735-2929 or Voice Line at 1-800-735-2922.

Caltrans Project Manager John Rieger, (619) 220-5391, and Environmental Analysis Chief Susanne Glasgow, (619) 688-6715, will be at the meeting to help answer your questions. Contact the Caltrans Public Information Office, (619) 688-6670, for general transportation questions. You may also visit our web site at www.dot.ca.gov/dist11.
